

Letters to the Editor

Dear Mr. Jones:

Congratulations! I am pleased to inform you that your organization has been awarded a 1985 Harry C. Eckhoff Award for excellence in golf journalism.

Your entry, THE FLORIDA GREEN, was judged First Place in the category for Professional Association Magazines.

The Harry C. Eckhoff Award committee received more than 130 entries from the U.S. and Australia for the 1985 competition. The committee was very impressed with the level of participation in the competition, and the calibre of golf journalism of all entries.

The National Golf Foundation is preparing the awards at this time, and will present yours in the very near future. The Foundation will also submit a news announcement detailing all of the 1985 Harry C. Eckhoff Award winners to all local and regional golfing publications.

The NGF is honored by your participation in this competition, and wish you great success with your efforts in the coming year. We look forward to your entry for the 1986 Harry C. Eckhoff Award competition.

With kind regards,

BILL JASSO

Dear Dan,:

Allow me to again thank you in this letter for giving me a copy of the Florida Green.

It always provides useful information and keeps me current as to happenings in a state we Canadians frequently visit. Just reading the issue tends to warm the heart, when temperatures are 8° F, and the ground is covered in snow.

Your description of San Francisco was most complete, and I'm certain my game plan would have been altered, had I received the copy before the conference.

Congratulations on your frequent awards; keep up the good work.

Sincerely,

Bob Heron, C.G.C.S.
Golf Course Superintendent

Dear Dan,

We really appreciated your extensive coverage of San Francisco in the Fall issue of *The Florida Green*. The use of photos and the layout were especially nice.

You can be sure that the City will welcome GCSAA when you come for your convention in January.

We were a bit puzzled about the credits for the cover photo. In addition to a blurb describing the photo, there is a small photo of Daniel Zelazek captioned: "Cover Photography." It is a bit confusing.

Sincerely,
DAPHNE GRAY, Media Services

Florida Green:

I enjoy your magazine more than any other golf publication so I feel I should contribute to the cost of receiving it.

I do not think a better job could be done. I am a 45 year member with ten years on the golf course before becoming a member and can say that you are doing a very good job.

Dear Dan,

I am a man of very few words. "Florida Green," the most complete golf magazine around today. I enjoy each and every issue. Keep up the good work.

Best Wishes,

Dear Dan:

Congratulations on winning the Best Cover Category in the 1985 GCSAA Chapter Newsletter Contest.

The time and dedication you put into your publication for your membership is great.

Happy Holidays.
