

## LESCO INTRODUCES IRRIGATION LINE

A March opening is scheduled for the LESCO Irrigation Center in Rocky River, OH. The new center is designed to service irrigation contractors, landscapers and homeowners.

According to irrigation manager Bob Hobar, "The LESCO Irrigation Center will be organized as a self-serve store. We will sell all types of irrigation equipment ranging from garden hose to hand-held spray nozzles to the necessary components to install a complete automatic irrigation system."

In addition to selling irrigation equipment and supplies, the LESCO Irrigation Center will also rent installation equipment such as pipe pullers. A professional design department will be available to assist in irrigation system designs.

The LESCO Irrigation Center will be located adjacent to the company's corporate headquarters in Rocky River, OH. The entrance for the Irrigation Center will be 700 Linda Street; hours will be 7:30 a.m. to 5 p.m. Monday through Friday and 7:30 a.m. to noon on Saturday. The LESCO Service Center is housed in the same building so LESCO customers may purchase needed fertilizer, control products, turf and irrigation equipment and supplies at one convenient location. ■
