TURFGRASS QUIZ

OMASCARO

Problem:
 Turf severely burned.

Location:
 Golf green.

Clue:
 Grass injured in streaks.

Please See Page 40

the heels of the successful launch of the charter membership program designed for companies that wish to support the GCBA programs.

Less than a month after the directors approved the new membership category, five companies had paid the one-time charter fee (minimum \$5,000): Perry O. Dye Designs International, Inc., Perry Dye; Dye Construction of California, Neil Iverson; Wadsworth Golf Construction Co., Paul Eldredge; Jacklin Seed Co., Doyle W. Jacklin; and Irrigation Supply Co., James J. Kirchdorfer.

Arnold announced that the GCBA has agreed to continue the tradition of conducting its summer meeting in conjunction with the PGA Championship for at least the next three years.

The Golf Course Builders Association of America was founded in 1970 to provide comprehensive programs and services to all segments of the golf course construction industry in the rapidly changing regulations and technology of golf course construction.

Education courses offered through UF Extension Service in Sanford

The University of Florida Cooperative Extension Service educational programs for 1992-93 are designed to disseminate the most recent and relevant educational information to the commercial turf industry. Courses are co-sponsored by the University of Florida Cooperative Extension Service, Central Florida Research and Education Center, Sanford. For information about any course listed below, contact Uday K. Yadav, extension director and commercial horticulturist at 407-323-2500, Ext. 5559.

Educational Programs

Sept. 11 - 12, 1992 - National Horticulture Short Course, sponsored by the Florida Nurserymen & Growers Association in cooperation with the University of Florida Cooperative Extension Service at the Orange County Civic Center, Orlando. For information contact Linda Adams at FNGA, 407/345-8137.

Oct. 2, 1992 - Landscape Ornamentals Research Field Day, sponsored by the UF Coop. Extension Service, CFREC, Sanford.

Oct. 15, 1992 - Plant Nutrition/ Fertilizer Management, sponsored by the UF Coop. Extension Service, CFREC, Sanford.

Nov. 10, 1992 - Human Relations & Business Management, sponsored by the UF Coop. Extension Service, CFREC, Sanford, Fla.

May 23, 1993 - Water Quality For Horticulture, sponsored by the U. of Florida Cooperative Extension Service, Coop. Extension Service Auditorium, Sanford, Fla.

Trends in Resort and Daily Fee Golf, 1992 Edition, is a statistical review from the National Golf Course Owners Association incorporating 1991 operating and financial data on approximately 100 daily fee, resort, and semi-private golf courses throughout the United States.

The publication shows revenue per

round, average income and expenses, golf course maintenance expenses, maintenance costs per hole, average expense variations 1991 v 1992, and food and beverage revenue per round. Data are reported by region and by type of course: resort, daily fee and semi-private.

The report was designed with the assistance of Pannell, Kerr and Forster to complement the NGCOA's *Uniform System of Accounting for Daily Fee and Resort Golf Courses*, which allows for the direct comparison of financial information between operations.

Trends is \$50 to NGCOA members and \$75 to nonmembers; the *Uniform System* is \$20 to members and \$30 to nonmembers. Contact NGCOA at 800-933-4262.

Turfgrass Technical Manual by Jacklin Seed is a step-by-step guide to selecting, planting and maintaining its varieties.

The publication is designed to assist golf course superintendents and turf professionals in identifying the varieties, blends and mixtures, recommended seeding rates, and planting instructions best suited to a variety of golf course applications.

Published in a loose-leaf binder, it also contains troubleshooting information to help diagnose and treat common turfgrass diseases and maintenance problems.

The manual is free from Jacklin; telephone 208-773-7581 or fax 208-773-4846.

TURFGRASS QUIZ

Answer:

Hot fertilizer burn. A quickly available nitrogen fertilizer was applied on wet grass without washing it in.
