

Turf Industry Roundup

Waterworks features two Florida superintendents

Aquatrols has featured two Central Florida golf course superintendents in the January issue of *Waterworks*: **Keith Van Hook** at Mountain Lake CC and **Jim Rowland** at Lake Wales CC. Both use the company's **AquaGro•S** wetting agent to combat problems caused by the sandy soil of Florida's Ridge.

Charles R. Nash has been promoted from business manager to business director for ICI Professional Products. **William D. McClellan** is the company's new national technical director, replacing **Richard Gouger**, who retired March 1, and **Doug Mills** has been promoted from turf products manager to communications manager.

Susan Samudio and **Mark Sellman** have been promoted to associate breeders for **Jacklin Seed Co.** Samudio worked with perennial ryegrasses and Sellman continues to work with fine fescues.

Bob Henderson has been promoted to manager of controller operations for the **Rain Bird** companies. A graduate of Brown University, Henderson will continue as plant manager for Clemar Manufacturing Corp. in Claremont, Calif. **Ed Eduok** has been appointed senior forecaster for Rain Bird's agriculture, golf and parts markets. **Dirk Lenie** is the company's new managing director of sales and marketing for the golf division and **Bob Finkenbiner** is one of his new product managers. **Roy Straight** has been appointed plant manager of Anthony Industrial and

June Kubota is a new marketing assistant in the golf division.

James B. Smith is the new general manager of **Ceres Products Corp.**, based in Azusa, Calif.

George Hamilton will coordinate **Penn State's** two-year turfgrass management program. He replaces **Dr. Joseph Duich**, who has retired. A graduate of the turf program, Hamilton earned a master's degree in agronomy from Penn State and has been in charge of the university's Landscape Management Research Center since 1982.

Kerry Haigh, has been promoted to senior director, tournaments, by the **PGA of America**. The 32-year-old native of England had been director of Tournament Operations. **Jorge Quintero** has left his own development consulting firm to become the association's director of golf course development.

The January **PGA Merchandise Show** in Orlando attracted 27,774 buyers, an increase of more than 4,000 over last year's record-setting attendance. More than 2,000 buyers came from foreign countries. Addition of space at the Peabody Hotel across the street from the Orange County Convention Center enabled the number of exhibitors to increase to 707.

Robert Trent Jones Sr. received the GolfCoruse Builders Association of America's Don Rossi Humanitarian Award.

Paul Fullmer, who has guided the development of the American Society of Golf Course Architects as executive secretary for 22 years, has been named the 1992 winner of the organization's **Donald Ross Award**.

John R. Sullivan, CCM, general manager of the Grosse Point (Mich.) Yacht Club, was elected president of the **Club Managers Association of America** at the organization's annual conference Jan. 16. Other new officers are Richard Kolasa, Tucson, Ariz., vice president; William Schulz, Houston, secretary-treasurer. National director from Florida is **Jay DiPietro**, Boca West CC. 🏌️

New Products

Lesco has released **Legacy**, a low-growing turf-type perennial ryegrass for overseeding. **Aquatrols** has reformulated AquaGro•S soil wetting agent and renamed it **AquaGro 20•S**. **Turf-Tec International** has a new field **tissue test kit** for nitrate-nitrogen in turfgrasses. The company's new **Verti-Slicer** aerifies a course without materially disturbing play. **Standard Golf's** 1992 catalog includes several products designed to satisfy specific superintendent requests, such as a debris rake that picks up pine needles and other small objects.
