

Blue Pearl Tourney benefits program

The Treasure Coast Golf Course Superintendents Association hosted their 2nd Annual Blue Pearl Charity Tournament at Loblolly Pines Golf Club Saturday, May 13th.

Proceeds from this years event will benefit the Cooperative Sanctuary Program for Schools. The TCGCSA will adopt 10 schools, provide reference materials on native plants, wildlife and habitat, as well as establish a \$5,000 grant fund so the adopted schools will have a funding source for projects they wish to work on.

The TCGCSA has received recognition from the Audubon Society of New York for providing the first fundraiser for the Cooperative Sanctuary Program for Schools. They have also been recognized by the GCSAA for leading the way with the School Program, as it was announced at the FGCSA Poa Annua meeting that the GCSAA will become the sponsor of the Cooperative Sanctuary Program for Schools.

Congratulations Treasure Coast!

We understand the importance of a good mix.

That's why it's important that you get to know Atlantic FEC. Because we provide a variety of specialty mixes and related products specifically formulated for the South Florida turfgrass industry.

Each turfgrass mix is delivered by Spyder equipped trucks in water-resistant paper or plastic bags. Bulk material is available in either normal size Killebrews or "small door" (24") Killebrews to accommodate your turf spreader. Drop trailers, sulfur coated potash, and new Micro Prill Greenskote, a quality putting green blend, also available.

Call us toll free at 1-800-432-3413 or visit us at 18375 S.W. 260th Street in Homestead to find out how you can benefit from quality mix from the Atlantic FEC turfgrass professionals.
