## 6 SPOTLIGHT: TWO PRESIDENTS AWARDS

Jim Walker and Ron Hill were accorded the FGCSA Presidents Awards by the South Florida and North Florida GCSAs respectively.

## 14 COVER STORY: THE VILLAGE GREEN

In a suburban transitional area between city and wilderness west of Boynton Beach, the Country Club of Florida literally serves as the village green for Florida's incorporated Village of Golf.

## 29 PROFESSIONAL DEVELOPMENT: IT'S ALL ABOUT ATTITUDE

What a blessing it was for the late Jim Martello to have an employee walk in the door with the right attitude, a working knowledge of the business, a willingness to please, and an all-around team player.

## 30 HANDS ON: IRRIGATION MANAGEMENT

It is critical that superintendents keep their owners advised of water-use issues and solicit their help in educating politicians, water management districts and the general public about golf's true impact on the community.

## 46 STEWARDSHIP: WATER USE BECOMES TOP CONCERN

Water use has replaced pesticide use as the industry's major environmental concern. The bottom line is that there is only so much to go around.

## 52 AFTERWORDS: COURT, JARRELL & JACKSON

David Court looks back over 30 years of golf course management, Mark Jarrell describes the impact of recent state budget cuts on the UF/IFAS turfgrass program and Joel Jackson does unto himself what he usually does to others.
