

FGCSA Secretary/Treasurer Nancy Miller is Florida's most recent GCSAA Certified Golf Course Superintendent. Congratulations. Photo by Joel Jackson.

The YMCA Par 3 course started out as a recreation outlet built by Publix founder George Jenkins for his employees. Eventually, the lighted nine-hole course and range was leased to the YMCA and is a center for family golf, junior golf, adaptive golf, lessons, practice and just plain fun. This course will be the Ridge Chapter's cover story for the summer Florida Green.

Congratulations to Nancy Miller, CGCS. She recently passed her certification test and is now a Certified Golf Course Superintendent.

Nancy is the superintendent at the Maple Leaf Golf and Country Club in Port Charlotte. She also is the secretary/treasurer of the Florida GCSA. You may have seen her in several GCSAA golf maintenance videos that have aired on the Golf Channel.
