

Until now, for most courses, using a triplex greensmower for fairway mowing has not been cost-effective.

The LESCO 500 Mower changes all that!

Equipped with five greensmower cutting units — mowing a 100-inch swath — the new LESCO 500 Mower provides a greens-quality cut with fewer passes down the fairway.

Engineered with the needs of the golf course superintendent in mind, the LESCO 500 offers standard features to make both mowing and servicing easy.

And because LESCO manufactures and sells direct to the user, you save money. No distributors to increase costs.

Scheduled for full production this spring, the LESCO 500 Mower is priced at \$11,750.00 delivered to you.

5% additional savings can be yours by picking up your mower at one of our regional distribution facilities, contact your LESCO sales representative for details.

For complete specifications on this major addition to the growing line of quality LESCO turf equipment, call or write us today.
