

Improved
formulation...
washes off easily.

Because accuracy counts.

For accuracy when spraying, put Tracker in your tank. It's the most concentrated liquid indicator dye you can buy.

See where you spray while saving time, product and money. Environmentally safe Tracker eliminates skip and overlapping, indicates drift and helps detect clogged spray nozzles.

Completely inert formulation won't react or interfere with product being applied. And new improved Tracker now washes off easily.

Whether you are spraying acres of fairways, renovating

turf areas or treating home or commercial lawns, choose Tracker. Because accuracy counts.

Put Tracker in your tank today. Contact your LESCO sales representative, visit the nearest LESCO Service Center or call us toll free.
