

On greens. On tees. On fairways, roughs, flower beds, transplants — even in your divot mix. Milorganite delivers outstanding results for a uniform playing surface. No other fertilizer is easier on plants or simpler to use. Milorganite's slow release, organic nutrients won't burn or cause a flush of growth. Plus, it's high in micronutrients such as iron to promote dense, vigorous turf. And Milorganite resists leaching, for a sound environmental profile. So call your distributor today, or call Milorganite's turf professionals direct at 1-800-304-6204. It's easy.

that have had an impact on the club's bottom line. One such occasion was after a presentation by a private insurance carrier. Al was able to make insurance-plan adjustments that earned significant savings for his club.

Through all these years Al has shared many experiences with his friends and peers.

His most rewarding experiences on the job include receiving compliments from golfers and reading newspaper articles about someone who played Sunrise and enjoyed the experience.

Having spent nearly half of his life maintaining Sunrise, Al deeply appreciates the recognition for the extra effort that he and his staff put in on a daily basis.

Al has participated in many local and national superintendent events during the last 20 years. He enjoys renewing old friendships at the GCSAA conference and show, and late-night conversations after the day's formal education has ended.

Al's favorite local SFGCSA event is the annual benefit golf tournament for The National Center for Missing and Exploited Children. Al will only play golf if he is forced to. What Al lacks in golfing ability, he makes up for in entertainment value on the golf course. Al enjoys this event because it makes him feel good about contributing to a worthy cause and helping the children in our community.

Al resides in Coral Springs with his wife

Candace and his son Alfred. Al and Candace have been married 28 years and also have two daughters, Courtney and Melissa, and a 6-month old granddaughter Aaliyah. Al's interests include fishing, boating on his 18-foot Bayliner and traveling throughout the USA.

Al has enjoyed his long-term employment at Sunrise, and his career in the golf course industry. His goal is to stay in the business for another 20 years, and remain loyal to the club that has supported him. That is Al Ross, CGCS.

#### FGCSA BOARD/ANNUAL MEETING

### Board OKs Budget, Employee Plan, Considers Web Site

In conjunction with the Central Florida GCSA's Larry Kamphaus-Crowfoot Open, the FGCSA held its summer board meeting and annual meeting at the

Chris Leahy, left and Richard Colyer, right from Golf Agronomics Supply and Handling present Past President Mike Perham, CGCS with a \$3,000 check for the FGCSA Research Account. Photo by Joel Jackson

Grand Cypress Conference Center in Orlando July 31. Since the FGCSA's fiscal year ends on June 30 each year, the first order of business was to approve the 1999-2000 operating budget.

Included in the new budget was a new employee wage and benefits program that was approved to cover the association's two fulltime employees, Marie

Roberts, association manager and Joel Jackson, director of communications.

Also discussed were education expenses; internal control review by our CPA; government and public relations; the 2000 FGCSA Reception in New Orleans; Florida Green ad rate increase; \$25,000 donation to the FTGA Research Foundation; \$500 sponsor-

FGCSA officers for 1999-2000 from left: Secretary/Treasurer Geoff Coggan, CGCS; Vice President Cary Lewis, CGCS; President Darren Davis; and Past President Mike Perham, CGCS. Photo by Joel Jackson.

ship of the Etonic Seminars at the FTGA Conference and Show; official notification of a new local chapter, the Calusa Chapter; and continued funding of the shared lobbyist with the FTGA.

The FGCSA will continue to support the GCSAA Platinum Club and the Musser Foundation with annual donations and its five-year commitment to the GCSAA Foundation.

Richard Coyler and Chris Leahy from Golf Agronomics were on hand to present a \$3,000 donation to the FGCSA Research Account. This donation from GASH's profits-rebate program brings the company's participation to a total of \$36,000 over the

past several years. The board expressed gratitude to Dale Mitchell and Richard Coyler on behalf of all those who benefit from GASH's continued generosity and support.

The FGCSA also approved a motion to explore the proposal by Jared Grigg to establish a Florida GCSA website. The only obligation to the FGCSA will be to provide current information to the webmaster maintaining the site. Darren Davis, Gary Grigg and Joel Jackson will serve on the Website Committee to get it started and provide all chapters with a list of features to be included on the site.

Immediately following the summer board meeting,

the annual meeting was convened for the election of new officers. The FGCSA Officers were pleased with the 100 percent representation by all Chapters. The new executive council for 1999-2000: Darren Davis, GCS, president; Cary Lewis, CGCS, vice president; Geoff Coggan, CGCS, secretary/treasurer; and Mike Perham, past president.

New directors coming on the board: Brett Harris, Central Florida; Ed Neumann, North Florida; John Van Vranken, Sun-coast; and Eric Joy, West Coast.

Continuing members of the board: Doug Abbuhl, Coastal Plains; Gary Grigg, CGCS, Everglades; David Court, CGCS, Palm Beach;

Roy Wilshire, CGCS, Ridge; Buddy Keene, Seven Rivers; Jim Goins, South Florida; and Craig Weyandt, Treasure Coast.

low gross honors and a spot on the FGCSA team at the GCSAA tournament to be held in Mobile, Ala. this year. Kevin Rotti, Errol Estates CC, was second with a 74, followed by Paul Bondeson, Jr., Mariner Sands CC, in third with a 75.

In the net points division, the winner was Mike Blanchard, Innisbrook Resort with plus 10. Second was Tony Joanow, Avila G&CC. Ray Cuzzone, Bartow GC picked up third place. The strong showing by Mike and Tony led the West Coast Chapter in capturing the Crowfoot Open Team Trophy. Buddy Carmouche, Palma Ceia CC and Dave Datema, Disney's Magnolia GC rounded out the West Coast team.

In the Commercial Divisions, Jim Staub took first place low gross ahead of Dick Bessire who nudged out Troy Parker in a match of cards. Todd Perkins was first in the net division after matching cards with John

Gamble. Fred Marshall finished third.

A special thank-you to the record number of sponsors that helped make this year's event such a great success. Kudos also to Tom Alex's administrative assistant, Lisa Richards, and her parents Jan and Robert Lloyd for their help in staging the event and preparing the sponsor board. A big hand for course superintendent, Tom Diggins his assistants Jeff Clark and Andy Smith and staff for having the course in its usual immaculate condition. Special thanks to golf professional Ryan Kidwell for helping to score the results of the tournament.

The 1999 Crowfoot Committee was: Chairman Tom Alex; Vilma Kamphaus; Dwight Kummer; Joel Jackson; Stuart Leventhal; Joe Ondo; Lisa Richards; Jan Lloyd; and Bob Lloyd.

### Crowfoot Banquet

Crowfoot luck held out as the scheduled poolside banquet on Sunday got a tentative start while severe thunderstorms lurked around the Grand Cypress property. Only a couple of miles away as the crow flies, the Lake Buena Vista area was getting pummeled by 1.75 inches of rain. After a few feeble sprinkles, the party got under way.

The highlight of the banquet was the presentation of the Larry Kamphaus Award. The award was instituted to honor the memory of longtime Crowfoot chairman and Disney superintendent Larry

Don Delaney of Golf Ventures, Inc. was named the 1999 Larry Kamphaus Award winner at the Sunday night Crowfoot banquet. Delaney received an engraved crystal bowl and a David Pursell commemorative drawing of Larry. Photo by Joel Jackson.

Kamphaus, who passed away in 1997. Larry and his wife Vilma co-chaired the Crowfoot committee for 13 years, and Larry was with the Walt Disney Company for 27 years.

Each year now the selection committee looks for a Central Florida member who depicts loyalty and tenure with his employer, service to his profession, and dedication to family and community.

This year's winner was caught by surprise when he was announced. Don Delaney, former superintendent and president of the FGCSA, was practically speechless when his name was called. Delaney is now with Golf Ventures, Inc. Delaney's name was inscribed on two crystal bowls, one that goes with him and

If  
you  
don't  
kill the  
Queen,  
you'll  
have a  
million  
other  
things to  
worry  
about.

It's a simple fact. To get rid of fire ants, you need to kill the queen. But conventional insecticides may kill only worker ants, leaving the queen unharmed. That means more ants. And more problems. AMDRO® Fire Ant Bait is different. AMDRO is carried to the queen by worker ants who think it is food. Once the queen eats it, she and her empire are history. No mixing. No odor. Just fast, effective, one-step fire ant control. No wonder AMDRO is America's number one fire ant bait. With AMDRO, we take the worry out of fire ant control. For the AMDRO® Fire Ant Bait distributor nearest you, call: 1-800-545-9525, Ext. 1610.

provided the labor to install it so Aaron's new bike can be kept secured.

On July 22, 1999 Aaron Bledsoe was the guest of honor at the Ridge Chapter's July meeting at Puckett's course where he and his mom thanked the Ridge Chapter for helping them coordinate the efforts and funds that came in to help Aaron. Later Puckett took Aaron on a golf cart tour of his course to show him some alligators.

Puckett said, "Aaron asked me if I had a bike. I told him I did. He asked me if I would come over and ride with him some time. What a neat kid! He has great spirit and he doesn't let his condition stop him from living life to the fullest.

"I was at Aaron's house when they delivered the new bike. When he was trying it out in the carport there was one spot where he got hung up trying to turn. When I got him clear and he looked up at me and said, 'Thank you, Mr. Puckett!' I got teary eyed.

### 8 Chapters Join to Replace Stricken Boy's Stolen Bike

Alan Puckett, GCS at the Lake Region Y&CC in Winter Haven, spearheaded an effort to right a wrong in his community. Alan read a story in the local newspaper about a young boy afflicted with spina bifida who had his new bicycle stolen from his front yard.

Alan called the paper, the Lakeland Ledger, to see if something was being done to replace the bike for 8-year-old Aaron Bledsoe. Alan put out a call for donations from FGCSA

chapters and the Central Florida, Everglades, North Florida, Palm Beach, Seven Rivers, Treasure Coast and West Coast chapters each responded with \$100. Through his inquiries and interest and a follow-up story in the Ledger, the Sunshine Fund became involved and not only replaced the bike, but did so with a specially built three-wheeler customized for spina bifida patients.

With the donations in hand, Puckett asked Debbie Bledsoe if Aaron had any other special needs that could be met with the funds. Mrs. Bledsoe mentioned that Aaron could use a special wheelchair to help him get around on shopping trips and outings. The Ridge

Chapter then partnered with the Bledsoe's insurance company to provide the wheelchair, using the donations to help defray the cost. In addition, Puckett purchased a utility shed and

# If It Was Only About Delivering Quality Products, We Wouldn't Have Turf Specialists On Board.

A good relationship between a superintendent and a supplier begins with quality products. But that's not where it ends. As a golf course turf professional, you have every right to expect and receive more. **Convenience, selection, service, technical expertise and value** should all be part of the package. And with LESCO™ they are.

We arrive at your door with a fully-stocked LESCO

Stores-on-Wheels™ offering **fertilizer, pest management products, golf course accessories, and seed**. What could be more convenient?

Every LESCO Stores-on-Wheels is operated by a trained turf professional who has a vested interest in the success of your course. Our turf specialists and regional agronomists appreciate the challenges you face and are fully prepared to offer turf

management and product use recommendations.

With turf experts on board and a highly qualified team of support personnel in-house, LESCO remains dedicated to providing superior customer service and delivering more than just quality products.

Call us at 800-321-5325. We'll show you.

People said I was big hearted. My answer was no! I got angry and just did something about it."

**PALM BEACH CHAPTER**

**Future of Golf Event Raises \$25,000**

Each year the Palm Beach Chapter holds its annual Future of Golf fund raiser for turf research, local charities and junior golf programs.

This year the event was held June 5 at the Falls CC in West Palm Beach. Host Steve Pearson, CGCS was bound and determined to make it a success and he triumphed.

The event netted \$25,000 and the Palm Beach Chapter pledged

\$15,000 over the next two years to fund Dr. John Cisar's best management practices research on several varieties of the new ultradwarf bermuda-grasses.

The research will be conducted on the FGCSA's Otto Schmeisser Research Green at the University of Florida Research and Education Center in Fort Lauderdale.

**COASTAL PLAINS CHAPTER**

**Tallahassee Tourney Raises \$6,500**

Florida's Panhandle may lack the large numbers of golf courses found farther south on the peninsula, but the spirit in this Tallahassee-based

1999 Coastal Plains Classic Committee heads up effort that earned \$6,500 for turf research. From left: Mike Bishop, Southern States, Inc.; Bill Kollar, FSU; Bill Humphrey, Lesco, Inc.; Geri Buchheit, Killlearn CC and Mike McNamara, Cross Creek GC. Photo by Joel Jackson.

chapter is just as big.

Celebrating their Fourth annual Coastal Plains Classic at the Golden Eagle CC this year, two-man teams pairing superintendents, golf pros and suppliers played a scramble.

The chapter raised \$6,500 for turf research at the University of Florida's Research and Education Center in Milton, near Pensacola, and at Georgia's Coastal Plains Research Station in Tifton, Ga.

## Meet John Hutton, Legendary Florida Horticulturalist

John Hutton has been somewhat of a mystery to his peers. A very humble and gentle Scotsman looking a score younger than his 80 years, John Hutton has made legendary contributions to the landscape of Florida, including golf courses.

Hutton was born in Oyster Bay, NY in August of 1919 in the same neighborhood as Teddy Roosevelt. A third-generation horticulturalist, he had his formal education at Cornell University Agricultural Extension in New York. His grandfather was put on loan from Kew Gardens, London and commissioned by Queen Victoria to landscape the Sultan of India's palace in Jahore, Malaysia, where his father was born in 1881. By special invitation, Hutton got to see his grandfather's work in 1981 with his grandfather's original field notes in hand.

Hutton came to Florida in 1946 after World War II to do the landscape architecture on some very exclusive Palm Beach and Miami Beach homes. His work was much admired, which led to some big contracts during the hotel development era in Miami Beach and Fort Lauderdale in the 1950s and 1960s. He had landscape contracts at

the Fountainbleu, Eden Roc, Seville, Pier 66, Doral and many other hotels and resorts.

Hutton's first golf course project was at the Diplomat Hotel and Country Club. Across the Intracoastal Waterway from the hotel was swamp land in 1956. A million and one half yards of fill was required for the Diplomat project, which was the second-largest landfilled area of its kind in Florida surpassed only by the Jacksonville Air Force Base.

Red Lawrence was the course architect, and Hutton still cares for the property to this day. In 1962, Hutton replanted nearly 1,100 oak trees for the Diplomat Presidential Course designed by Mark Mahannah, and only lost 50 trees. The rest are still standing today and can be seen on the east side of Interstate 95 near Ives Dairy Road.

Hutton received the Dick Pope Horticulture Man of the Year Award in 1968. Only 12 other people have received this distinguished award. Hutton was a charter member of the Florida Nursery Growers Association and the Florida Turfgrass Association from which he received the prestigious Wreath of Grass award in 1974. In 1962, Hutton helped Joe Konwinski host the NGCSA party and outing given

by Al Kaskel, developer of the Doral complex where he was helping golf course architects Joe Lee and Dick Wilson develop the courses.

Hutton is currently working with his old friend Joe Lee on the grow-in of the redesigned Diplomat with Nugent Golf Course Construction. During my visit to the course July 19, golf course superintendent Damian Loughran had assembled his new crew to begin the fine mowing on the project which began in October 1998 which included tear down, redesign, irrigation, etc. It's estimated that the course will be ready by December 1999, well ahead of completion of the hotel's renovation. A tour of the course with Loughran indicated that it will be challenging to all levels of golfers. The clubhouse construction is underway and will contain a spa. It's seems larger and just as majestic as the Taj Mahal!

We greatly appreciate John Hutton's accomplishments and contributions to the horticulture industry of Florida. Hutton will be formally honored at a future South Florida Chapter meeting.
