

It's a breakthrough.

Shift your expectations of what a trim mower can do. 15" of reach to the left and right. 68"–74" variable width of cut that can be adjusted right from the seat. And true all-wheel drive. The 7400 TerrainCut is a Houdini at mowing in tight spaces, and can handle whole zip codes when wide open. No wonder it doesn't fit neatly into any previous equipment category box. Call today to see one in action.
