

Spill readiness program prepared by PLCAA

The Professional Lawn Care Association of America is making available a new spill readiness audio training program.

The five-part audio cassette covers areas of interest to owners (spill prevention and the four key components of spill readiness); managers (spill reporting and dealing with the news media); lawn technicians (three emergency priorities and answering questions at the spill scene); office staff (information checklist, finding the boss and handling the media); and as-

sistant manager (spill equipment checklists, containment and cleanup, and answering questions at the spill scene).

The tape is supplemented by a spill readiness guide that includes spill reporting requirements, sample calculations, labeling and inventory recommendations, and a mock spill drill for employees.

To order the program call Victoria at 1-800-458-3466. The cost is \$60 plus shipping and handling for members, \$90 for non-members. **Circle No 241**

NEW LITERATURE

Deere puts together safety tips

John Deere has compiled the best 11 of its safety films on one 84-minute 1/2-inch VHS videocassette.

Two programs provide mowing safety information. One segment shows near-miss victim situations and testimonials "to foster a positive safety attitude" for operators. A second segment

shows a father teaching his son safe mowing.

Other programs discuss safety considerations for larger tractors and heavy equipment. One animated segment gives motion to safety signs in order to explain their messages in an entertaining format.

The programs run from 90 seconds to 23 minutes long.

To order a VHS cassette for \$15, write to: Deere & Co., Distribution Service Center, Safety Films Dept., 1400 Thirteenth St., E. Moline, Ill. 61244. **Circle No 353**

GO-FER . . . VERSATILE TOUGH, AFFORDABLE!

The GO-FER CCD-1000 Multi-purpose Utility Vehicle is an excellent transporter of personnel and equipment up to 1000 lbs. Low to the ground, GO-FER's sturdy tailgate/ramp allows you to easily load such equipment as walk-behind greens mowers. The large-capacity cargo area (46" x 68") makes easy work of most hauling jobs; while the very accessible 7½ h.p. Kawasaki engine and hydrostatic front wheel drive allow for hassle-free maintenance. GO-FER is offered through SALSCO's CCD™ Program at the very affordable price of

\$2,895.00*

To obtain complete information about GO-FER call or write:

SALSCO, INC.

Lawn Overseeding

How to improve your lawn with thicker growth, better color, and greater resistance to disease and drought.

Overseeding booklet ready

A new brochure on turf overseeding entitled "Lawn Overseeding" is now available from the Cushman Division of Ransomes.

The pamphlet can be used to promote overseeding and provides information on the why's and wherefore's of overseeding, such as when to overseed, choices for grass types, how to prepare a lawn and recommended equipment.

The 16-page pamphlet includes a glossary of grass and lawn maintenance definitions and can be used by homeowners, lawn maintenance firms and retail stores.

Copies are available in quantity for 10 cents per copy. For information write Lawn Overseeding brochure, Cushman, P.O. Box 82409, Lincoln, Neb., 68501, or call 1-800-228-4444. **Circle No 355**

Cushman updates Ryan catalog

A new catalog of Ryan aerators and other turf care equipment for the lawn care industry is now available from the Cushman Division of Ransomes.

Included in the brochure are the Lawnaire 28 reciprocating aerator, the Mataway Overseeder, the Ryan Spotseeder, sod cutters, turf rollers and tractor-mounted and towed aerators.

For a free copy of the catalog write the Cushman Sales Department, P.O. Box 82409, Lincoln, Neb., 68501, or call 1-800-228-4444. **Circle No 251**
