"BRRRR ETT" CART RUMBLE STRIPS

MASTER of the LINKS introduces its BRRRR ETT cart rumble strips for use along cart paths. Made of quality plastic, the BRRRR ETT is a deterrent to unauthorized dirt paths on your course. The strips are attached to the blacktop and spaced so golf carts cannot "cut the gap". Test marketing of the BRRRR ETT showed that golfers would not cross the strips, even though they had done so in the same spot prior to installation of the BRRRR ETT.
