It's No Longer Fair To Compare. Introducing Fleet Classic.

It's first class transportation. And, thanks again to Yamaha innovation, the new Fleet Classic is the first in a class by itself. • The Fleet Classic's breakthrough design features the Yamaha UltraPath 3-Link Rear Suspension that delivers a remarkably smooth ride. Choose the electric model and Yamaha's PaceSetter Solid-State Speed Controller comes standard, making it the most economical car of its kind. The gas model holds up to the rigors of more rounds because it's powered by our proven OHV 4-stroke engine, designed exclusively for golf cars. • However, the Fleet Classic's distinctions extend beyond unmatched performance. Its high-grade painted Metton body is as stylish as it is rugged. Plush wide seats and generous legroom add to the passenger comforts. • So once more, Yamaha's turned golf car luxuries into standards. But nobody ever said we had to play fair. Call 1-800-447-4700 for your dealer.

In Case Of Pythium Break Open This Case.

Koban® turf fungicide kills Pythium instantly—on contact.

Keep Koban on hand because, left untreated, Pythium can spread like wildfire.

Koban is the most effective Pythium control available. In over 20 years of use, there's never been a reported case of resistance. It's the brand more and more superintendents are using, because they know

they can trust it, completely.

Koban is available in two convenient formulations—30% wettable powder or 1.3% granular. You can spot apply the granular without interrupting play. And increase the effectiveness of your systemic preventive program by rotating in either formulation at low rates.

Call your Grace-Sierra distributor today. Or for more information call us toll-free at 1-800-492-8255.

And get a case or two of Koban right now. Keep it handy, just like you do a fire extinguisher.

Just in case...

Fairway Champion.

- Exclusive "on-demand" 4WD option.
- Choose 7 or 5 blade reels to cut between 1/4" and 1 3/16".
- Exclusive Turf Groomer® fairway conditioner.
- Durable, high efficiency diesel engine.
- Rugged, field-proven chassis with heavy-duty lift arms.
- High-capacity, easy on-off catchers.
- Vertical mowers available.

Superior fairway mowing.

In head-to-head comparisons, the LF-100 delivered superior fairway mowing, in all kinds of grasses.

It starts with exclusive Jacobsen heavy-section, 22" reels. They stand up to challenging fairway conditions and follow ground contours closely for a smooth, manicured cut at production mowing speeds of more than 5 mph.

Exclusive down-pressure system.

For the ultimate in cutting performance, add the

unique, dual-spring down pressure system. It puts the pressure at the rear rollers, where it's needed, to show off your fairways' best features.

Lightest footprint.

The LF-100 has the lightest footprint in the industry. It delivers minimal compaction even on the

softest fairways.

Prove it to yourself. Contact a Jacobsen distributor for a demonstration on your course against any fairway mower. Let the LF-100 give you and your fairways a superiority complex.
