

Anderson leaves Espey, Huston for vp post at Daft-McCune-Walker

Gary L. Anderson has been named a vice president of Daft-McCune-Walker, a land-planning and development consulting firm, according to Robert C. Galvin, president.

Anderson, a registered professional geologist, specializes in environmental land use and coastal issues. Prior to coming to DMW, Anderson was Director of Coastal Programs with Espey, Huston & Associates of Williamsburg, Va., and from 1980-85 was director, Commission on the Conservation and Development of Public

Beaches, Commonwealth of Virginia.

He has been a technical advisor to the Chesapeake Bay Commission's Land Use and Resource Trends Committee and to Virginia's Chesapeake Bay Local Assistance Department.

Anderson is extensively published, including recently co-authoring "Living with Chesapeake Bay and Virginia's Ocean Shores."

Anderson has managed and participated in comprehensive environmental assessments and

projects in the Mid-Atlantic region, the Caribbean and in Central America.

He designed the Jefferson Patterson Park and Museum Demonstration Shore Erosion Control Project in Calvert County, Md., a project funded jointly by the Maryland Department of Natural Resources and the Maryland Historical Trust.

He has assessed and managed golf course environmental studies requiring environmental mitigation.

At Daft-McCune-Walker,

Gary L. Anderson

Anderson will continue his work both in Virginia and Maryland with land-use issues and help develop new business in the Mid-Atlantic region.

Nedro moves to W. Houston for Dallas firm

Golf Resources, Inc. of Dallas, Texas, has placed PGA Class A member Mike Nedro in West Houston, Texas.

GRI, with its president, PGA Tour player D.A. Weibring, took over management of The Club in May.

Nedro, most recently, was the head assistant golf professional at Royal Oaks Country Club in Dallas. Before that, he was the head professional at Oakridge Country Club in Dallas.

Northrup King names Bosch turf specialist

Northrup King has appointed Fred Bosch turf specialist in its Medalist Turf Division. Bosch will be responsible for sales of the company's Medalist Professional Turf Products in Michigan, Ohio, western New York and western Pennsylvania.

Bosch is a graduate of Ohio State University, earning a bachelor of science degree in agriculture, majoring in agronomy while specializing in turf management. Most recently, Bosch was a technical sales representative for W. A. Cleary Chemical Corp.

Emerald Dunes appoints new club manager

Paul C. Makris has been appointed club manager and Kim Throckmorton as marketing director for Emerald Dunes in West Palm Beach, Fla.

The daily fee Emerald Dunes course, designed by Tom Fazio, opened for play in January, while the clubhouse will open in October.

Most recently, Makris was affiliated with Flame Restaurants, a nationwide chain. He has more than 20 years of experience in the food and beverage industry.

Throckmorton has been sales manager at The Colonnade Hotel in Coral Gables.

Hydro-Product adds Majia to sales staff

Tony Majia has been added to the field sales staff of Hydro-Products Inc., according to Larry Hood, sales manager, northern region for the El Toro, Calif., company.

Majia will cover the northern Inland Empire from San Bernardino to Pasadena, said Hood. Majia is a former commercial maintenance contractor with extensive experience in field troubleshooting and repair.

Hydro-Products Inc. is a single-source distributor for all major brands of irrigation and landscape supplies. It has 12 branches located throughout Southern California.

We've developed some strong attachments for the Cushman® Turf-Truckster.™

And so will you.

No wonder golf course superintendents have grown attached to their Cushman Turf-Trucksters. Nothing even comes close to fulfilling as many functions with such beautiful results. It's state-of-the-art turf maintenance machinery in a class by itself.

A superior system.

More than a dozen attachments and implements can be interchanged with a minimum amount of sweat, turning a Turf-Truckster into an entire fleet of turf maintenance vehicles. You can spray, aerate fence-to-fence, pick up cores, haul, dump, fertilize, spread, seed and top dress. And you can do them all with greater precision because of our unique ground speed governor control.

With the addition of our exclusive 540 PTO option with heavy-duty hitch, you can also turn your Turf-Truckster into a

rotary cutter, flail cutter, shredder, grinder, sweeper/collector, roller, or fine-cut reel mower. Dollar for dollar, function for function, nothing is as versatile or economical over more years of heavy use.

Now with 3 engine options.

In addition to the time-tested Cushman 222 air-cooled engine,

the Turf-Truckster is also

available in liquid-cooled gas and diesel engines. The Cushman 327 gas and Kubota 950 diesel models now provide a range of options to fill all of your specific needs.

The Cushman Turf-Truckster is simply your best turf maintenance vehicle investment. Ask a superintendent who owns one. Better yet, call the Cushman dealer nearest you for a free demonstration, or call toll free 1-800-228-4444 for more information today.
