

Dollar Spot

Leaf Spots

The Most Effective, Longest-Lasting Solution.

In university test after test, and on course after course, Vorlan® has proven to be the most effective Dollar Spot and Leaf Spots fungicide available.

It's the result of Vorlan's unique chemistry, making it both a curative and longer lasting preventative. One application insures

disease-free turf for up to 28 days!

Vorlan is also more economical. The cost-in-use is lower, because it lasts longer.

And Vorlan is easier to use. You can apply it at the same low rate for both Dollar Spot and Leaf Spots control. And it's available in both liquid flowable and wettable powder forms.

Contact your Grace-Sierra distributor today and order Vorlan. Or, call us toll-free at 1-800-492-8255.

Because nobody can help you through the tough spots like we can.

Troubled waters?

Otterbine Aerators

The prescription for troubled breathing, poor circulation, and changing temperatures in ponds and lakes is practical engineering that is esthetically pleasing.

These aerators range in power, circulating from 600,000 to 20 million gallons of water in a

24-hour period. Each complete, turnkey system is delivered fully assembled; no special pumps or foundations are required.

Striking patterns begin with the Starburst, Rocket, Sunburst, Constellation, or Phoenix working alone or mingled together. Add the Otterbine Fountain Glo™ lighting system for spectacular evening display as well as security or the Rock Float Cover for the illusion of natural spray.

Otterbine Aerators meet the water management needs of golf courses, parks, recreational lakes, office developments, and residential condominiums. Call or write for more information:

Mitsubishi Mighty Mits. One Size Fits All.

It may be small. But it delivers big. Mitsubishi Mighty Mits. When your work takes you off-road, it picks up, delivers, hauls and moves out. In 2WD or 4WD. Over flat or varied terrain. And handling? Easy. At the airport, beach, golf course, park. Or just about any place in between.

Mitsubishi Mighty Mits. Built strong. With extra headroom. And the power to perform.

So right for whatever you do, you'll think we built it just for you.

NO OTHER PLAYER APPROACHES THE GREEN WITH AS MUCH SKILL OR EXPERIENCE.

And nobody matches Jacobsen greens mowers for precision cut, balance or durability.

Over 65 years of powered greens care experience and innovation make Jacobsen walk-behind greens mowers the industry's standard. And they keep getting better.

The new front roller and no-rust aluminum drive roller are precisely machined to ensure mowing accuracy. With the recognized superiority of the Jacobsen designed reel and bedknife combination, this system delivers the smoothest, truest cut, down to $\frac{3}{32}$ ".

And only Jacobsen uses a 2-cycle engine for longer life, less maintenance and reduced vibration. This smoother running engine is positioned for side-to-side, fore-and-aft balance, for the most precise cut possible.

Choose the 22" unit for the finest tournament-quality cut. Or select the 19" Championship greens mower for an

unmatched cut on highly undulating greens.

Attach the exclusive Turf Groomer™ for faster, truer, healthier greens.

Team either Jacobsen greens mower with the Turf Groomer greens conditioner for the finest greens grooming system available.

Proven on tournament-play courses across the country, this system increases putting speeds up to 20% without lowering your height of cut. And it cuts those horizontal grasses and surface runners other mowers miss, to reduce grain. For healthier, better looking greens. Greater uniformity from green to green. And truer putting.

Ask your Jacobsen distributor for a free demonstration. Attractive lease and finance plans available. Or contact: Jacobsen Division of Textron Inc., Racine, WI 53403.
