Hills signs on to design third 18 at Bonita Bay

BONITA BAY, Fla. — Bonita Bay plans to offer its members 54 holes of golf, building its reputation along with Bay Island, a third championship golf course built using nine holes of the existing Marsh course.

The Marsh, opened in January 1985, will be split, with nine new holes added to the back nine to create Bay Island, and nine new front holes built to recreate The Marsh.

Construction of the new course should begin in the spring of 1993, and Arthur

Hills, who designed the other two courses, has already begun the design for the 18-hole course.

Like The Marsh and Creekside, the new course will complement the natural features of the Bonita Bay property. A wetlands slough will frame many of the new holes and a few holes may have views of Estero Bay.

"There will be a nice balance of lengths among the courses," said Hills.

Graham-Panks busy in Indonesia

PHOENIX, Ariz. - Former U.S. Open and PGA champion David Graham, along with Scottsdale golf course architect Gary Panks, have announced Scottsdale-based Graham/Panks International has been retained to design a championship 18-hole layout in Indonesia.

Located 24 miles southwest of the country's capitol city of Jakarta in the foothills of the Puncak Mountains, the Royal Jakarta Golf Club "will bring a whole new

standard of golf course design to Indonesia," said Graham, a 20-year veteran of the PGA Tour.

"Indonesia has not seen much new golf course activity in the past decade," he said, "certainly not of this caliber. We see a new trend developing.

"Indonesia is right on the heels of Thailand as far as its own golf boom is concerned. It will be the country to watch in the 1990s."
