

# Golf courses that have recently been approved around the United States

*Golf Course News* is publishing these lists monthly — from our sources and with the assistance of *Forecast Golf Marketing & Financial Systems, Inc.* of Richmond, Va.

The courses in the top table have been approved around the country in the past month.

The bottom chart contains the sites and contacts for new courses and renovations in the planning stages.

When those courses are ready to begin construction they will be listed again in this "Courses newly approved in the U.S." chart.

We would appreciate your help in updating this section.

To contact us call 207-846-0600 or write *Golf Course News*, P.O. Box 997, Yarmouth, Maine 04096.

Under "Type" — D= Daily Fee; P= Private; and M= Municipal.

Under "Class" — R= Regulation; E= Executive; P=Par 3.

Under "Work" — N=New; R=Renovation.

## Turf Diagnostics & Design, Inc.

CHARLES "Chuck" DIXON, a nationally recognized scientist in the sports turf industry, joins with his partner, Stephen McWilliams, in announcing the opening of TURF DIAGNOSTICS & DESIGN, INC. We are the best equipped and staffed physical evaluation laboratory serving the turf industry. We offer the best turnaround time in quality testing at fair prices using the accepted test methods of the American Society of Test Methods and the American Society of Agronomy.

Our services include:

- Competent USGA physical evaluations by graduate level agronomists for golf course construction & renovation
- Consulting in the design & diagnostic testing for high performance turf systems
- Technical support to the environmental community in soil science & physical testing
