

Tough On Diseases. Easy On You.

New Duosan® WSB is safer and easier to use—you handle only the bag, not the fungicide. And, the pre-measured soluble bags insure accurate applications every time.

Because each soluble bag contains both a contact and systemic fungicide, Duosan WSB is tough on

diseases. It's labeled to control a broad spectrum of diseases on turf, trees, shrubs and flowers.

Duosan WSB eliminates the need to purchase and store separate fungicides.

Order new Duosan WSB today.

The Most Profitable Golf Car For Your Course. Shown With Its Closest Competitor.

Improved comfort. Increased performance. Unmatched efficiency. No other golf cars can measure up to the 1992 E-Z-GO gas and electric cars.

Our new gas car features the first twin cylinder overhead cam engine in the golf car industry. More power. Less noise. And performance unequalled by any single cylinder engine.

And our electric car, with the solid state energy control and the Total Charge® charger, is still the most efficient electric golf car money can buy.

Both cars give you more rental time on the course. Trademark smooth ride. Flexible financing options. And the industry's most extensive service network. That all adds up to higher profitability.

Maybe that's why more of the top 100 golf courses run with E-Z-GO than any other car. Call 1-800-241-5855 to find your nearest E-Z-GO representative. Take our car out for a test drive. You'll see there's just no equal.
