Technical Sales Representative

The Milwaukee Metropolitan Sewerage District is seeking an experienced sales representative to manage a portion of the nationwide network of Milorganite distributors, both institutional & retail. Responsibilities include identifying & coordinating technical & marketing activities required to sell existing & new products; developing, training, & supporting distributors; providing technical information & guidance to distributors & other customers regarding the use of products; monitor agronomic research & demonstration projects & integrate findings with sales efforts; participate in conferences, trade shows, & related events to represent the District; provide technical assistance & guidance to manufacturing regarding product quality; and perform related duties as required. Milorganite fertilizer products have been used by golf courses, industrial/commercial, & residential customers for more than 60 years. Position requires significant technical knowledge in the turf grass field relating to fertilizers, herbicides, fungicides & soil management to serve as an effective sales consultant to distributors and their customers. Up to 75% travel required within the southeastern U.S. B.S. in Agronomy, Horticulture or Soil Sciences & three years of successful experience selling fertilizers &/or related chemicals to golf courses, nurseries, parks, or lawn & garden centers is required. Masters degree in Agronomy, Horticulture, or Soil Sciences is preferred. Residency within the Milwaukee Metropolitan Sewerage District is required within one year of appointment. Applications will be accepted through Friday, September 17, 1993.

For additional information call: (414) 225-2114 (voice), (414) 225-2080 (TTD) or send resumé to: Employment Office, Milwaukee Metropolitan Sewerage District, 260 West Seeboth Street, Milwaukee, WI 53204
