WHICH ONE WILL GIVE YOUR COURSE THE FUNGAL PROTECTION IT NEEDS?

From mowing and watering to Mother Nature's rain, your course goes through a lot week in and week out. And because of all it goes through, you need a fungicide you can count on to stick and stay for maximum protection against fungal diseases that can so quickly destroy valuable turf and ornamental plants. That's why your choice should be Daconil 2787®.

Scanning electron microscopy of treated plant samples lets you see why for yourself. Just compare Daconil 2787, with its exclusive Weather Stik™ formulation, to one of its imitators, and you can see how much better and more evenly Daconil 2787 sticks and stays, even after the equivalent of a four inch rain.

That means you can count on Daconil 2787 even when it's wet and disease pressure is at its highest for continued, broad-spectrum, multi-site control of major turf diseases. Diseases like Leaf spot, Melting out, Brown patch, Dollar spot, Anthracnose, Rust, Red thread, and Snow mold on both warm and cool season grasses including Bentgrass tees, greens, and fairways. Plus control of ornamental plant diseases and algal scum, too.

In addition, Daconil 2787 also makes the perfect tank-mix contact fungicide for broad-spectrum support of your systemics and for disease resistance management. Remember, there's never been a documented case of disease

resistance to Daconil 2787 in over 25 years — that's one more good reason to make it the most important component in your turf management program.

With all you have to worry about, why worry about your fungicide? Just stick with Daconil 2787. You can count on it to stick with you. **ISK Biosciences Corporation, Turf & Specialty Products Division, 5966 Heisley Road, P.O. Box 8000, Mentor, Ohio 44061-8000.**

On November 11-12, the Country's Most Savvy Superintendents, Managers, Owners, Operators, and Developers of Public-Access Golf Facilities Will Meet In Orlando

An Exciting Show & Conference From the Publishers of *Golf Course News*

Now there is a national trade show and conference targeted to the fastest growing part of the golf course industry. It's called Golf Course Expo, and when you attend, you'll find the show dedicated 100% to public-access golf—daily-fee, semi-private, resort, and municipal courses. And Golf Course Expo is designed just for you!

STRICTLY PUBLIC-ACCESS. NO NEED TO TRANSLATE PRIVATE COURSE SOLUTIONS TO YOUR PUBLIC OPERATION

Save money and months of investigation by pinpointing the vendors who can help you on the trade show floor. Tour the show floor and talk shop with the leading companies for all your needs—equipment, chemicals, seed, builders, accessories, sod, golf cars, consultants, management software, fertilizers, architects, marketing firms...the list goes on and on.

BRING THE WHOLE TEAM AND MULTIPLY THE BENEFITS FOR YOUR COURSE

Golf Course Expo is a must for superintendents, managers, owners, operators, general managers, golf administrators, directors of parks and recreation, builders, architects, and developers. This is a great chance for all of the individuals who make buying decisions at your public-access course to find key products and services that will help you operate your facility more effectively and efficiently.

BACKED BY THE KNOW-HOW OF GOLF COURSE NEWS

With monthly coverage of the golf course business, we've built a knowledge base of critical issues that are important to you. And we have invited participation by industry vendors who recognize the needs of public-access golf courses. Our demonstrated commitment to the industry means we're dedicated to your success.

AND THE EXPO IS FREE!

Take a look at what you get when you register in advance with your complimentary Expo VIP Pass:

- ▶ FREE entrance to the show floor featuring products and services from leading industry vendors
- ▶ FREE information on new products introductions
- ▶ FREE attendance at the daily Expo keynote sessions
- ▶ FREE entrance to Expo special events—like the Shop Talks—vendor-sponsored technical and demonstration sessions right on the show floor

MIX AND MATCH CONFERENCE TOPICS AND SESSIONS TO MEET YOUR NEEDS

You may want to register for the 2-day multi-tracked conference that runs throughout the Expo. Your \$295 conference registration allows you to customize the three concurrent tracks on course maintenance, management and marketing, and course development led by industry experts and successful practitioners. You can design your own personal program from topics including:

- ▶ Trends in public-access golf—keep up with changes in the industry
- ▶ Research—maintaining high-traffic courses for less
- ▶ Financing construction and renovations
- ▶ Improving the profitability of your course—give yourself an edge
- ▶ Environmental issues—answer your most pressing questions
- ▶ Staffing and management strategies
- ▶ Saving money on maintenance
- ▶ Marketing, advertising, and promotion ideas that REALLY work!

ORLANDO—AMERICA'S FAVORITE VENUE

Golf Course Expo will be held at the Orange County Convention Center, a world-class convention facility. The state-of-the-art complex offers easy access, ample parking, and fully-equipped conference facilities. It's an economical and easily accessible location and one of America's favorite destinations.

They'll return home on November 13th armed with new ways to make their operation more profitable—increase revenues, cut maintenance costs, do more with less, and deliver solutions.

With the two new Jacobsen Aero King aerators, you get the widest selection of hole spacings on the market to handle changing aeration needs quickly and easily. Simply shift gears to select just the right pattern for the job.

Most convenient controls in the industry. Unlike competitive units, the self-propelled

T1224 puts all controls at the operator's fingertips for easier operation and increased productivity.

Lower overall maintenance costs.

Our virtually unpluggable tines last up to three times longer than competitive tines. So you

get more consistent hole depth throughout your course, while spending less time and money changing tines. What's more, the Aero Kings' simple, durable designs are easier and more economical to maintain than gear-driven units.

They also cover more ground in an hour than competitors, giving you the best overall aerator value.

The tractor mounted PT2448, with its 48" width, is small enough for greens but big enough for fairways and tees. The PT2448 features a storage frame and castors for fast, easy hook-up to an 18+ hp tractor.

To see just how much a single aerator can do, ask your Jacobsen distributor for a demonstration today.
