THE ILD^{LP} LIGHTNING PROTECTION SYSTEM

patent #5,291,208 and other patents pending by RABUN LABS, INC.

Automatically detects the presence of lightning BEFORE it gets close enough to do the damage, gives an alarm, switches power sources, AND/OR automatically disconnects power, phones and coax lines until the storm is out of the area, then automatically reconnects.

EASY INSTALLATION!

Models available for protection of irrigation management control & data distribution equipment, pump motors and field satellite controllers, computers & data processing equipment, club house alerting system, and custom design.

Coming soon -- quiet alert for your golf cart!

4407 Vineland Rd., Ste. D-18 • Orlando, FL 32811

"I'm Sold On Courtesy Golf Cup Protectors."

"Every once in a while, we superintendents discover a new edge in maintenance control. The Courtesy Golf Cup Protectors are an inexpensive and smart idea. Each time players reach into a hole, they receive positive reinforcement on course etiquette. Messages like Replace and Fill Divots, Obey Cart Signs and four others are repeated from hole to hole. We know the message sinks in because we see results: better etiquette and less maintenance. The Courtesy Golf Cup Protectors are a real asset to our maintenance program." Rick McGuinness, Woodmere CC, NY.

18 disks per pack - 1 to 100 packs \$11.50 each plus shipping. Personalized Courtesy Disks also available, extra charge. 1746 NW 84th Dr., Coral Springs FL 33071, 305-753-0464

pendence and the Judeo-Christian religion calls us to be "one people."

Henry Louis Gates, chairman of black studies at Harvard University, agrees. Do you?

...

When Dr. Noel Jackson spoke to Maine superintendents on Pythium damage, he said when Pythium hits, it leaves bentgrass but kills poa annua. "How can we get it?" came the hue and cry.

Of course, they didn't want to know; but, if you water abundantly you create conditions for Pythium, whose 35 species are some of the fastest-growing fungi in turf.

...

San Francisco Golf Club's Maynard Garrison, a senior citizen, told American Society of Golf Course Architects (ASGCA) members: "We have few opportunities for exercise. Please take the lead to get rid of golf buggies. They are the bane of the existence of all golfers."

...

From Dr. James Watson, retired Toro executive, speaking to the ASGCA: "By the year 2050 the greatest export from the U.S. to Mexico will be water — not oil, minerals, or anything else."

...

New American Society of Golf Course Architects President Don Knott told members: "Stanley Thomson was absolutely correct when he commented that designing golf courses without having studied the links of the British Isles is akin to a divinity student who has never studied the Bible."
