# THE HOLE-IN-ONE EVENT IN ASIA

## GOLF ASIA '95

INTERNATIONAL GOLF EXHIBITION & CONFERENCES

Presented by: CONNEX • GCSAA • IMG

23 - 26 March 1995 • World Trade Centre Singapore

From Shanghai to Bombay, the golf industry in Asia has experienced unprecedented growth over the past decade. As new markets emerge and existing markets mature, opportunities for those providing golf related products and services will continue to evolve.

Now entering its fifth year, Golf Asia has distinguished itself as the region's pre-eminent golf trade show. As evidenced by the participation of 220 exhibitors in 1994, Golf Asia has proven to be an invaluable resource for those wishing to expand their business interests in golf's growth market.

By the exhibitors' own estimates, more than US\$131 million in total sales have been concluded through their participation in Golf Asia over the last four years.

Golf Asia '95 will continue to cater to two broad segments of the trade. For those exhibitors in the Industry Section, attendees will include club owners, managers and superintendents. Exhibitors in the Commercial Section interface with the region's top retailers, club professionals, distributors and membership brokers.

Golf Asia '95 will further expand what is already the region's most comprehensive educational programme.

This will include the 5th Asia Pacific Golf Conference, the foremost golf course development and management seminar and, for the third year running, the Golf Course Superintendents Association of America (GCSAA) will conduct a series of seminars offering the trade targeted information.

# No belts. No pulleys. No kidding.

The Jacobsen HR-5111's exclusive Multi-Motor deck design delivers a whole new angle on rotary performance.

Individual hydraulic motors drive each blade for unmatched cutting power, while eliminating time-consuming routine maintenance. This design also enables the blades to rotate in opposite directions for more even clipping dispersal. Team that with our floating-decks, and you've got a cut so clean you'd swear it was done by a reel mower.

A full 11' cut and 51 horses of liquid-cooled diesel power let
