

BEFORE AND AFTER (AGAIN...)

Close readers of Golf Course News may have noticed that, on page 3 of the June issue, we mistakenly published a "before" photo (above) twice. So here's the "after" shot (left) at the California Golf Club of San Francisco, showing some of the nifty bunker restoration the course has undergone. The project's design and construction was handled by Doug Nickels, principal of Nickels Golf Group of San Rafael, Calif.

The Confidential Guide to Golf Courses

By Tom Doak
This book describes, uncovers and rates more than 1,000 courses worldwide that the author has visited and photographed. With more than 180 four-color photos, it might be the best collection of worldwide photographs ever published. It starts with a "Gourmet's Choice" selection of 31 of Doak's personal favorites, each by a different designer, followed by brief reviews of courses from Pebble Beach to Kebo Valley, Maine, and from St. Andrews to Joondalup in Western Australia.

\$45.00, 400 pages, hardcover.

Guide to Golf Course Irrigation System Design and Drainage

By Edward Pira
As a working reference or as a textbook, this book covers every important aspect of the subject in an easy-to-understand format. Used in numerous academic courses for years, this is the first commercially available version of a perennial best-seller, and is completely revised with new exercises, practical examples, numerous new figures, and expanded sections covering a wide variety of irrigation system components.

\$59.95, 400 pages, hardcover.

Human Resource Management for Golf Course Superintendents

By Robert Milligan and Tom Maloney
This practical guide provides basic management principles and techniques which view people as the most important asset in golf course management. Five basic management functions are detailed throughout the book, using everyday situations to illustrate the key points. Designed to serve as a quick reference, or as a self-teaching guide, it features numerous techniques and practical examples.

\$34.95, 150 pages, hardcover.

Turfgrass Management Information Directory

By Dr. Keith Karnok
A 1,700-entry reference for turfgrass and green industry professionals, this book compiles the latest information and gives an at-your-fingertips list, complete with names, addresses and useful material you need every day.

It covers academic programs and key contacts, instructional resources including slide sets and videos, software, a section on related books, and industry services such as diagnostic labs and soil-testing facilities, and much more.

\$19.95, 115 pages, softcover.

Superintendent's Handbook of Financial Management

By Raymond S. Schmidgall
The Superintendent's Handbook of Financial Management is the official certification textbook of the Golf Course Superintendents Association of America. It presents useful methods and techniques for understanding and using income statements, balance sheets, accounting procedures, financial statements, etc.

\$34.95, 150 pages, hardcover.

Color Atlas of Turfgrass Diseases on Golf Courses

By Dr. Toshikazu Tani
Contributing Author, Dr. James B. Beard

The Color Atlas of Turfgrass Diseases on Golf Courses presents more than 540 high-quality color photographs of all the major turfgrass diseases that occur on both warm-and cool-season grasses. It is international in scope. No other book contains as many color photographs of this detail and quality. Helpful maps are included to assist in disease identification by providing geographical locations where each disease/pathogen is likely to occur.

\$79.95, Approx. 140 pages, hardcover.
