"Seaside II Has Success Written All Over It."

I resodded high stress areas in my PennLinks fairways with Seaside II nearly a year ago, and I am very pleased with its performance. I selected Seaside II with improved dollar spot disease resistance and salt tolerance to address our two major turf challenges; the coastal influence and potential sodium buildup from irrigation. I find Seaside II a strong ally to our PennLinks fairways, and in the future, we will slit seed with Seaside II, where needed, to enhance turf quality.

Our bentgrass fairways make Del Mar Country Club unique to southern California, and spares us overseeding bermudagrass every winter season. Seaside II complements our PennLinks greens and tees, too.

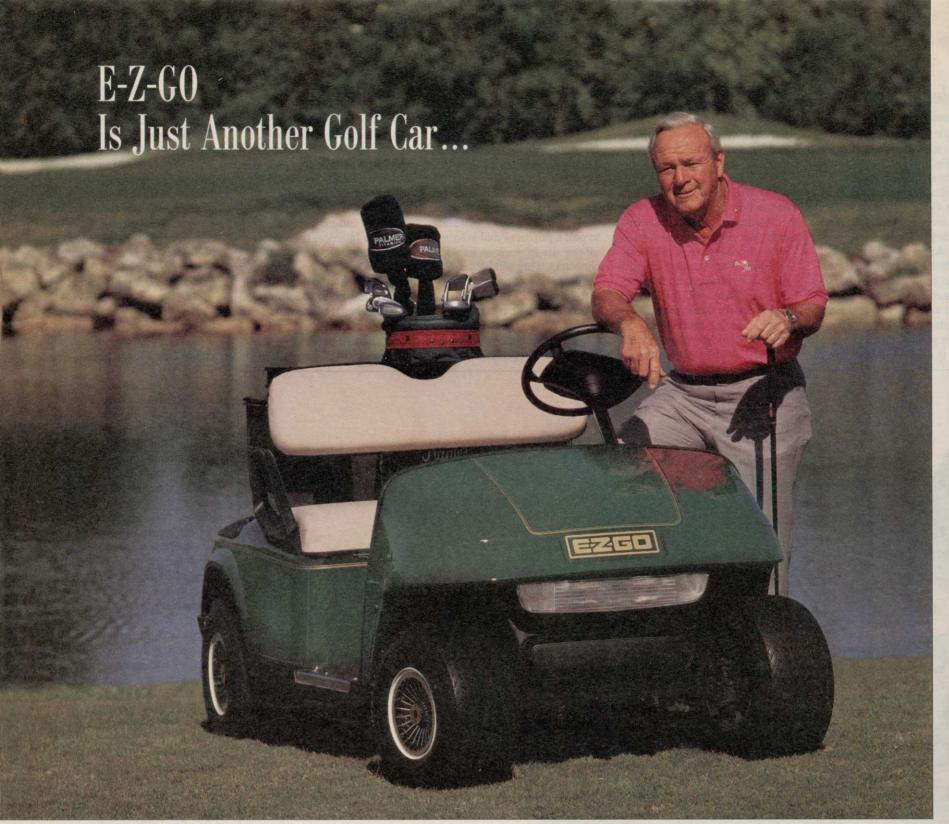

Seaside II has success written all over it. - David Major

Like Arnie Is Just Another Golfer.

How many golfers do you know who command their own personal army? Arnold Palmer does. Since his 1954 U.S. Amateur victory, Arnie's charisma, ability and heroic lateround charges have drawn millions to the game of golf. Winning him 8 Majors and 92 tournament championships along the way.

Coincidentally, 1954 is when E-Z-GO began its drive to the top with a string of technological innovations, industry leading designs and unmatched quality. That's why more golfers have ridden in E-Z-GO cars than any other golf car in history.

Arnie leads the army, but E-Z-GO commands the motor pool.
