something out of a book."

The new TPC at Deere Run course is scheduled to be finished by fall 1998 and ready for play in 1999 to host the new 1999 John Deere Classic.

"For me, one of the exciting things about this project is, there will be a TPC right here in Moline, in the heart of the Midwest — open to the public," said Peterson. "The other neat thing about this project: We've held annual meetings each summer — we call them 'Feedback Days' — when superintendents come to Moline to evaluate equipment. A local course has been kind enough to make its course available in the past, but now we'll have a place to hold evaluation meetings, test equipment, etc."

Often scheduled opposite marquee events like the Ryder and Presidents cups, the Quad City Classic has existed in relative obscurity for 26 years. The Deere agreement — with its high-profile sponsorship and new tournament site — should transform the event. The Quad City has also switched places with the Anheuser-Busch tournament at Kingsmill, netting the Deere event a prime July spot following the Western Open.
