#### SUPPLIER BUSINESS

Could ryegrass be banned in Arizona? ..... .. 45 Rhone and Maruwa are big in Japan ...... 46 Flowtronex spreads wings in the Middle East ..... 47

# Audubon jumps into course development

By MARK LESLIE SELKIRK, N.Y. - When Audubon International

(AI) entered the world of golf, no one would have dreamed of the heights it is about to reach - no one except, perhaps, President Ron Dodson.

AI has created

the Audubon International Golf and the Environment Land Trust to accept "real property interest" that will be used to facilitate development of Audubon golf

## One-stop equipment deals on rise By M. LEVANS

BLOOMINGTON, Minn./ LINCOLN, Neb. — As the industry sees more courses gathering under management umbrellas, the number of exclusive provider deals between management companies and manufacturers - including equipment, equipment maintenance and ancillary services - appears to be following suit.

In the past month, both the Toro Co. and Ransomes America Corp. have added substantial new agreements to their growing list of exclusive arrangements.

Toro cut a five-year deal with Whitbread/Marriott Continued on page 48

courses as environmental research and demonstration centers. "We asked,

'Who better to implement our beliefs than us?" said Dodson. "One of the criticisms we've had about our Cooperative Sanctuary System is that we

## **Public Golf Forum sessions take shape**

Maintenance Track: Technology steps into the spotlight

#### By MARK LESLIE

OAKBROOKHILLS, III. - Pioneering technology for quickly "mapping" a golf course to optimize irrigation and chemical and fertilizer applications is

one of several topics in a

full package of mainte-

nance sessions planned for

the 1997 Public Golf Fo-

Golf course superinten-

dents around the country,

taking advantage of special

registration offers, are ex-

rum here, Oct. 27-28.

## BUSINESS CONFERENCE AND EXPO FOR 1

pected to attend the forum at Oak Brook Hills Resort for public-access golf course superintendents, owners, operators and developers.

Along with a half-day session on "Biological Controls: Current Status and Future Prospects," led by Dr. Eric Nelson of Cornell University, they Continued on page 19

DevelopmentTrack: **Player development** can't be overlooked

By M. LEVANS

OAKBROOKHILLS, III. Public-access golf

courses are being developed in record numbers while player participation numbers remain stagnant. Now, how are you going to develop a public course that will allow you to es-

tablish a solid customer base — and keep those customers coming back for more, giving you a faster return on your investment?

have no assurance that our
