

# White Columns

Continued from page 21

opened in 1994. The par-72 White Columns layout was voted sixth-best new course in America by *Golf Digest* in 1995 and placed 27th in *Golf* magazine's "Best Among the Top 100 Courses" to play in

America. *Georgia Golf News* recognized the facility in 1998 as the number-one daily-fee course in the Atlanta area.

"White Columns has always offered a golf and club experience rivaling the finest country clubs," said Bob Husband, president and CEO of Heritage Golf Group. "We're very pleased that it can now rightfully be counted among the top private clubs in the country."

## THREE MEMBERSHIP CATEGORIES

As Georgia's newest private country club, White Columns is now offering individual, corporate and family memberships and is extending membership opportunities to those living outside the White Columns residential community.

During its transition, the club will continue to welcome limited daily-fee play and outings until complete privatization is achieved within the next two to four years.

"Starting with its spectacular setting and exceptional golf course, White Columns offers an unmatched recreational and social experience for those fortunate enough to become members," Husband said.

The list of amenities at White Columns also includes a highly acclaimed practice center as well as a swim and tennis center.

Heritage Golf Group currently owns and operates nine high-quality golf facilities, both private and daily fee, throughout the United States. ■
