

Penn A-4: something to
look forward to at
Wooden Sticks

Number 2, Wooden Sticks

“Penn A-4 is picture perfect for our Wooden Sticks greens.”

“The **Wooden Sticks** experience has golfers of all skill levels arm pumping, cursing, and coming back for more. Eight holes on this unique course draw inspiration from

“Number 2 hole is a truly unique design with bunkers surrounding the green. From the elevated tee, it’s possible to land on the target with a well-placed shot, but to miss short or right could mean a day at the beach.

“Penn A-4 is just right for our greens at Wooden Sticks. With the variety of putting surface sizes, shapes, and contours we have, Penn A-4 is asked to do a lot of things including: grow in deep shade, adapt to our severe climate changes, repair scuff and ball marks resulting from public play, and to be the reward at the end of some challenging approaches.

“The new Penn A-4 creeping bentgrass does it beautifully.”

There are thousands of reasons golfers miss putts. (One less if you use Greens Grade.)

Milorganite Greens Grade offers all the benefits of an organic fertilizer – a nonburning formula with slow-release nitrogen – only in smaller particles. Which means it won't disrupt putts after it's applied. It settles into the turf canopy virtually unnoticed.

But the results won't be. As for three or four putts? Who or what is blamed is anyone's guess. But it certainly won't be the fertilizer. For more details, visit milorganite.com or call 1-800-287-9645.

It's very dependable.

THE ONE RELATIONSHIP THAT'S BUILT TO LAST.

If you want a truck that'll last, the Turf-Truckster® is the only choice. It's the most powerful vehicle in its class, featuring a 32 hp, liquid-cooled EFI engine and the highest-rated payload capacity of any turf truck. The standard ground-speed governor provides the ability to maintain accurate speeds to accommodate the

widest range of accessories and attachments available. Once behind the wheel, you'll be impressed with its maneuverability. The Turf-Truckster sports an ultra-tight turning radius (20' 2" outside turning circle) and offers the industry's only (optional) automatic transmission. Plus, we've conveniently located the engine under the seat for easy access, as

well as provided a walk-through cab that makes getting in and out of either side a cinch. It's as simple as it gets to operate. And it's as reliable as it gets to own. To learn more or for a dealer near you, call 1-888-922-TURF or visit www.textronturf.com.
