*We salute course builder Louis Miller,
long-time Pennncross specifier.*

**“I love '50s rock classics, and Pennncross
is a rock-solid '50s classic.”**

In the early sixties, The Monarchs rock group reached number one nationally with *Look Homeward Angel*. The Monarchs are still playing gigs, and I still play bass for them as I did then. Pennncross was 8 years old when we topped the charts, and I'm pleased to say Pennncross still tops the charts as the best-selling creeping bentgrass of all time.

As a certified golf course builder for 9 years, I still specify Pennncross for 95% of greens I build or rebuild. Pennncross takes extremes of cold, heat, traffic, plus wear and tear of daily spiking and ballmarks. Plus, Pennncross adapts to various superintendents' management styles.

Why do I still specify Pennncross? It has been where other bents are trying to go.
