## Harley's Model B removes stones

Glenmac's Harley Model B Hi-Lift is ideal for large capacity stone removal. The maneuverable units can screen items from one half inch to 18 inches in diameter. The Hi-Dump model raises to eight feet high and has a one cubic yard box and the Side Delivery Elevator elevates to 10 feet high. Both are capable of moving one ton per minute. The units require a 35- to 75-hp tractor with PTO drive and a hydraulic system running at 11

## Lesco unveils Patriot Series flags

Lesco has introduced a new Patriot Series golf flag allowing courses to show their patriotic spirit during national holidays. Lesco is donating 15 percent of all sales of these flags to the USO.

One of the new Patriot Series flag designs

The flags are available in two designs:

- "United We Stand" is an embroidered flag featuring crossed American flags with an eagle design and is available in a 14-inch by 20-inch size.
- The American flag offers a more

## Ditch Witch rolls out mini skidsteer

Ditch Witch is ready with its new SK500 mini skid steer, a compact walk-behind model that is designed for a variety of construction applications. The machine is powered by a 24-hp Honda engine, travels on rubber tracks powered by dual independent hydrostatic ground drives and has lifting capacity in the 500-pound weight class. The SK500 can be configured as a material loader, trencher, augering machine, forklift and

## Echo sprayer offers on-the-go precision

Echo's new SHR-210 gas-powered backpack sprayer allows users to apply chemicals over large areas of turf and landscape.

The SHR-210 is powered by a two-stroke 21.2 cc engine and discharges chemicals at a rate of

1.9 gallons per minute. An optional jet nozzle attachment allows the operator to apply liquid spray up to 20 feet, providing access to hard-to-reach areas.

For more information, contact: 847-540-8400.

traditional approach to patriotism with a screen-printed America flag in both a standard 14-inch by 20-inch and a seven-inch by 10-inch putting green size.

Set-up and design charges have been waived for both flag designs. For more information, contact: 800-321-5325 or [www.lesco.com](http://www.lesco.com).
