Spray repellent

- Ready-to-use, Tree Guard formula sprays on milky and dries clear
- Non-toxic to plants
- Used to protect all trees, shrubs and flowering ornamentals
- Unique latex polymer carries the active ingredient, Bitrex, and resists rain and won't wash off for as long as 100 days

Becker Underwood

Circle 222 on reader service form

Precast concrete buildings

- Manufactured by Carr Concrete
- Arrive ready to use, no on-site assembly required
- Engineered to resist heavy winds, snowfalls and ice loads
- Won't rust, rot or burn
- More than 50 standard models to choose from, including standard storage and restrooms
- Can be customized to meet specific needs

R. W. Sidley

Circle 223 on reader service form

Spotrete F Turf fungicide, animal repellent

- Contains the ingredient thiram, which renders treated plant parts distasteful to deer, rabbits and rodents
- Deters feeding and damage to turf, shrubs and ornamentals
- One application protects treated parts for about one to three months
- Can also be used for the prevention and control of common turf diseases such as brown patch and snow mold

Cleary Chemical

Circle 224 on reader service form

Goose repellent for turf

- Migrate repels geese from areas such as golf courses, lawns, parks, athletic fields, cemeteries or any other turf area where birds graze
- Makes treated turf unpalatable to geese forcing them to feed elsewhere
- Available in one-gallon containers

Gemplers

Circle 225 on reader service form

Roof and wall panels

- DuraRib is a 36-inch-wide roof panel with 1 1/8-inch-high ribs on 12-inch centers and a full sidelap configuration
- An increased number of fasteners is used along the eaves to combat moisture migration from ice and snow buildup
- StarMark wall panels have four major corrugations 1-inch high at 12-inches on center, with a 2 1/4-inch-by-1-inch deep depression between each major corrugation
- StarMark panels are roll formed at 26-gauge or 24-gauge, 50,000 psi minimum yield steel with a zinc or aluminum-zinc alloy coating

Star Building Systems

Circle 226 on reader service form

Deer and rabbit repellent

- All-natural, biodegradable repellent made from derivatives of tree sap, fatty acids, eggs and garlic
- Scent conditions animals to avoid treated areas prior to biting into and destroying plants
- Won't drive away butterflies, honeybees or birds
- Once dried, its odor is undetectable to humans
- Available in ready-to-use spray bottle or in concentrated formula
