## CDs, DVDs, Web sites

Tee-2-Green is offering free copies of its new **2005 Bentgrass Information Resource CD** to all GCSAA student chapter members and university professors. The CD contains bentgrass maintenance tips from Dr. Joe Duich, advice from golf course professionals who share their management techniques, roundtable discussions with industry experts and technical information on Tee-2-Green bentgrasses. Turf students and professors can request copies of the CD by sending an e-mail to [bentinfo@tee-2-green.com](mailto:bentinfo@tee-2-green.com) or by calling 800-547-0255.

The Champion Group, a Phoenix-based golf course consulting firm, released a DVD, "**Selling More Golf Tournaments**," that covers every aspect of the process. The topics on the DVD include: the selling process, attitude in selling, who produces golf tournaments, why golf tournaments are produced, how to find them, how to sell them and add-on selling. For more information, call 602-867-1491 or visit [www.thechampgroup.com](http://www.thechampgroup.com).

Superintendent's Video Workshop added two new titles, "**Guide for Tee Renovations**" and "**Basics of Understanding Irrigation Repair and Maintenance**," to its video-based training series designed for golf course superintendents and their staffs. The "Guide to Tee Renovation" covers the complete step-by-step procedure for planning and executing a successful tee renovation. "Basics of Understanding Irrigation Repair" explains how an irrigation system operates and shows basic repair techniques on PVC pipe, gate valves, control valves, swing joints and irrigation heads. The videos are available in VHS or DVD formats. Each title includes employee handbooks, tests, answer keys, sign-off sheets and instructor guidelines. For more information, call 800-938-4330 or visit [www.svwonline.com](http://www.svwonline.com).

Golf course architect Jeff Mingay launched a Web site, [www.mingaygolf.com](http://www.mingaygolf.com), which includes an archive of articles and essays Mingay has contributed to publications throughout the world. GCN
