Design/Landscape Architect

Design Workshop is a nationally recognized firm focused on landscape architecture, urban design, community and regional planning, market analysis and tourism planning. We are seeking a Golf Course Design / Landscape Architect professional for our Denver office. Candidates must possess 0-3 years of experience in a professional office, an undergraduate or graduate degree in landscape architecture from an accredited University program, strong graphic and computer production skills, strong technical skills (grading, construction knowledge), and a positive attitude towards involvement on a wide range of project types. Candidates must also possess experience with golf course planning and design, drawings, drainage, grading, and construction administration. Proficiency in AutoCAD is required. Apply online at www.designworkshop.com and select "Landscape Architecture- golf" as the position for which you are applying.

Turf & Ornamental Experienced Contractors Needed Retired? Downsized? Need a Change?

Are you located in Illinois, Pennsylvania, Florida or Southern California and have significant sales and industry experience in the professional turf and ornamental marketplace including golf courses, nursery/greenhouse and other associated T and O markets? Are you available for project opportunities? If so, we would like to talk to you. This is a perfect fit for someone who wants to continue working in the industry but does not desire full time permanent work. Call for more details.
