Personnel management

- 44 BEHIND THE DECISION**
Facilities involve several people, have multiple criteria and use different avenues when hiring the right person for the job.

Facility operations

- 50 LISTENING TO YOUR CUSTOMERS**
Obtain feedback from golfers before making changes at your facility.

Pond management

- 56 WATER WORLD**
Budgets, labor and environmental issues shape aquatic herbicide management programs.

38

Course development

- 60 BUILDING ISSUES**
GCBAAs members discuss the impact of poor water quality and appropriate budgeting on construction.

Facility planning

- 66 A GRAND PLAN**
There's much to consider when designing an ideal maintenance facility.

Professional development

- 72 CLOSER TIES**
Carolina's superintendent forms relationships with a group of international greenkeepers.

Turfgrass varieties

- 76 NEW ON THE MARKET**
Demanding course conditions inspire new turfgrass varieties.

Course construction

- 80 WHAT A LONG STRANGE TRIP IT'S BEEN**
It took a municipal course in California 20 years to come to fruition.

Product features

- 98 OUTSOURCING AQUATIC NEEDS**
A superintendent contracts pond maintenance because it's cost effective.
- 100 COMBINING NATURAL AND PURCHASED RESOURCES**
Virginia Beach coordinator depends on Mother Nature and a distributor to maintain ponds.

HOT IN THE HILLS

Southern Hills superintendent Russ Myers, CGCS, survived the heat during the PGA Championship in August.

COLLECTIVE EFFORT

A group of Georgia superintendents received greater than 90-percent participation in a program that documents water conservation among golf courses in the state. Learn how they organized the program and download the template they sent to member superintendents to complete.

ONLINE POLL: WRITTEN AGREEMENTS

As a golf course superintendent, do you work without a written agreement or contract? Visit the GCI home page to vote in this online poll.

DIGITAL LIBRARY

You can view last year's digital issues of *Golf Course Industry* any time you want on DVD. The digital library contains all the 2006 issues on one disc. The DVD is available at the online bookstore – www.golfcourseindustry.com/store.

EDITORIAL MISSION STATEMENT:

Golf Course Industry reports on and analyzes the business of maintaining golf courses, as well as the broader business of golf course management. This includes three main areas: agronomy, business management and career development as it relates to golf course superintendents and those managers responsible for maintaining a golf course as an important asset. Golf Course Industry shows superintendents what's possible, helps them understand why it's important and tells them how to take the next step.
