GOLF INDUSTRY SHOW COVERAGE

Visit our Web site to read about news from the Golf Industry Show – from new products to seminar coverage to the building of a tee box on the trade show floor.

ONLINE POLL: ORGANIC FERTILIZER

During the next few years, do you plan to increase the amount of organic fertilizer applied on your course? Visit the GCI home page to vote in this online poll.

AIR IT OUT

Do you agree or disagree with a recent column or article? Voice your opinion about a topic or try and bring recognition or attention to someone or something you believe deserves it. Visit our message board at www.golfcourseindustry.com/messageboard and speak your piece.

DIGITAL LIBRARY

You can view last year's digital issues of *Golf Course Industry* any time you want on DVD. The digital library contains all the 2007 issues on one disc. The DVD is available at the online bookstore – www.golfcourseindustry.com/store.

EDITORIAL MISSION STATEMENT:

Golf Course Industry reports on and analyzes the business of maintaining golf courses, as well as the broader business of golf course management. This includes three main areas: agronomy, business management and career development as it relates to golf course superintendents and those managers responsible for maintaining a golf course as an important asset. *Golf Course Industry* shows superintendents what's possible, helps them understand why it's important and tells them how to take the next step.
