

New and improved

The newly redesigned golfcourseindustry.com provides news, resources and an interactive experience.

The editors of Golf Course Industry are pleased to present the newest stage in the ongoing evolution of golfcourseindustry.com. The site has a fresh new look, more multimedia and easier-to-access resources than ever before. GCI hopes online users will take advantage of the current enhancements and work with us to continue to improve the site to work better for you by letting us know what you think. Send your raves, rants and/or what you'd like to see in the future to gci@gie.net.

CURRENT POLL

If you attended the Golf Industry Show in San Diego, what do you think of the new, two-day trade show format?

I like it better than the old format.

I prefer the old format with two and a half trade show days.

It doesn't make a difference to me.

1

THE NEWS YOU NEED – At the core of golfcourseindustry.com remains our news section with daily headline and supplier news updates.

2

MULTIMEDIA ACCESS – Editorial videos, including event coverage; sponsor videos, including product information and trade show coverage; and podcasts are easy to locate in this new homepage feature.

3

YOUR GCI – A key component to the site's redesign is the addition of MyGCI, which allows users to post their own photos, video and other media, and tag items within the site that they'd like to save to their MyGCI page. On any article, resource or media page, just select the "Save to my GCI" link.

4

EXPANDED FORUMS – Now with enhanced capabilities like the ability to add graphics and create polls, the GCI Message Board is a great place to ask your peers for advice and share your experiences.
