Monroe Miller:
How good are you at golf course
history?
- 50 **Parting shots**
Pat Jones:
Truth and consequences

COVER STORY

24 THE SOCIAL NETWORKER

Dr. John Kaminski is taking turf education in new directions with a digital frenzy of posts, tweets, blogs and whatever's coming down the social media pike next.

FEATURES

Summer 2010

16 SURVIVING THE SUMMER FROM HELL

The most brutal conditions in decades tested superintendents – and they passed with flying colors. Here are some ideas about how they did it.

Turf maintenance

31 POWER WATER

There are a number of reasons fertigation may just make sense for your course.

10

Tree care

35 TREE CARE ON THE GOLF COURSE

When it comes to golf courses, turfgrass is king. However, trees are an important component of the golf course landscape that are sometimes ignored or overlooked by superintendents and their crews.

Course conditions

38 ORGANIC SOLUTION

Challenged to improve fairway playability, The Club at Carlton Woods took a new approach toward dealing with organic matter.

World golf

42 GOLF IN MONGOLIA

Freelance agronomist Jim Connolly shares his adventures in getting golf off the ground in the land of Genghis Kahn.

Renovation

45 HIGH-FLYING RENOVATION

Even in tough economic times one U.S. Air Force course renovation soared with careful planning.
