FEATURES

Cover Story
12 THE TIME IS NOW
 The 2013 U.S. Open throws the spotlight on Merion Golf Club. GCI's Bruce Williams shadows Matt Shaffer for a behind the scenes look and breaks down what it takes to get ready for an event of this magnitude.

22

Mowing
22 RING AROUND THE COLLAR
 Three case studies to keep you from tearing up your green collars.

Construction
28 SMALL IDEAS, BIG CHANGES
 If your aging greens need an upgrade, small changes can be an effective, cost-conscious alternative to a full-scale renovation project.

Research
62 BACK TO THE GRIND
 In exclusive research, superintendents and equipment techs offer their insights on reel and blade maintenance.

Disease Management
70 SUMMERTIME BLUES
 If your springtime preventative measures failed, there are ways to successfully control summer patch outbreaks.

Real Science
88 A NEW TOOL FOR POA ANNUA CONTROL IN TURF

76 AFTER SANDY
 Left in ruin, Long Island courses struggle to recover after the most devastating storm in modern memory.

81 DOWN, BUT NOT OUT
 After a throttling by Superstorm Sandy, Garden State golf courses recoup and regroup.
