

TURF FOOD

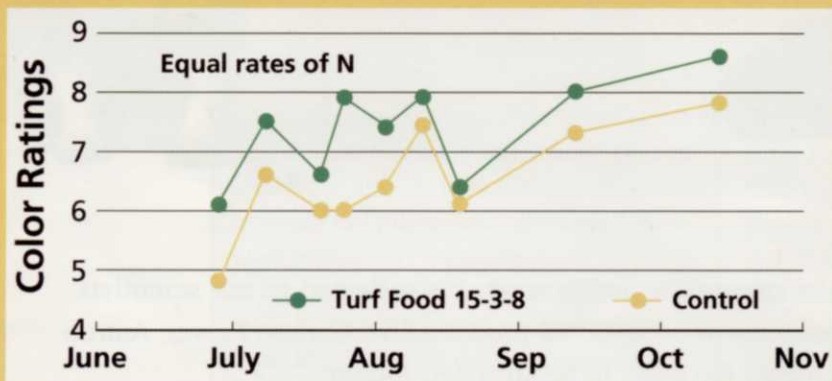

Color By The Numbers

When it comes to your greens, it's all about the color

It's not easy keeping all your greens, well, green. Turf Food granular fertilizers not only feed the turf, but also improve the life of the soil at the same time. So you get greener greens, tees and fairways and overall healthier turf... and a lot more.

- Outstanding and consistent color response
- Improved turf density and root mass

University of Wisconsin research tells the story.

Trial showed significantly better color on 7 out of 9 dates during stress period vs. comparable organic fertilizer at 3/4 lb N.

Turf Food is part of The Roots® Challenge

The Roots Challenge provides season-long turf management solutions using Roots products to attain the healthiest turf possible – even in the most stressful conditions.

Your distributor representative, Roots territory manager and technical field staff will work with you to select the best program, monitor the applications and gauge the program effectiveness throughout the season.

Attend a local Roots Challenge Technical Conference for all the details.

Take The Roots Challenge and see for yourself – Consistent color by the numbers.
