

1-866-SYNGENTA

Join the campaign for new Meridian™ insecticide.

There's a groundswell afoot. Everyone seems to be excited about new Meridian™ insecticide. Even some unlikely constituents like turfgrasses, shrubs, and trees. Why the enthusiasm? Meridian brings a new active ingredient to turf that offers preventive and curative control of grubs and other soil and foliar insects at low rates. Meridian's broad-spectrum control and speed of activity make it an outstanding choice for trees and shrubs, too. Join our grass roots campaign. Elect to use new Meridian.
