

Seed It To Believe It

Only one variety of seashore paspalum can be seeded, and that's Sea Spray. But why seed instead of sprig? That's simple: so your golf course is ready for play sooner. Tests conducted by Pure-Seed Testing, Inc. showed that Sea Spray seeded seashore paspalum germinated and established faster than popular sprigged varieties of seashore paspalum. Find out for yourself; call Scotts Professional Seed at 1-800-247-6910 or go on line at turf-seed.com/seaspray for more information about Sea Spray and the location of your nearest Sea Spray seashore paspalum distributor.
