## FLORATINE'S TURF ACTION PLANS WILL CAUSE HEALTH TO BREAK OUT

Turf Action Plans from Floratine provide a convenient, economical and targeted solution for many common yet challenging turf issues. Our TAP Packs are pre-measured for easy use, each TAP Pack covers up to one full acre and protects against stress and disease, while promoting plant nutrition for the strongest turf. To learn more about a Turf Action Plan that's right for you, talk to your local Floratine distributor or visit [www.floratine.com](http://www.floratine.com).
