

Some things just don't work when they're cut in half

But Expo does!

Designed to deliver the benefits of potassium, Expo is a patented granule combining methylene urea and potassium sulfate. Available exclusively from LebanonTurf, it is specifically designed to deliver an efficient, cost-effective, controlled release source of potash along with a slowly available source of nitrogen. Mow it! Stomp it! Crush it! Cut it in half, it's still Expo! Ask your local LebanonTurf distributor for Expo, call 1-800-233-0628 or visit our web site at LebanonTurf.com. For your free agronomy manual, click on promotions and enter coupon code GC1079.
