

We help with **Poa Annua**,
Phyllophaga and
Golfer-Know-It-Allia.

Comprehensive Agronomic Support. If you want to hear advice from a local expert, and a lot less from a course “celebrity,” try us. No matter what the agronomic issue, chances are we’ve seen it before, and can offer the top-name basic manufacturer products as well as LESCO-branded products to solve it, fast. Give your John Deere representative a call. And find out one more way you can **Consider us part of your crew.**
