

In 2005 we made history
introducing them.
Now, they're starting to make
other mowers history.

E-Cut™ Hybrid Fairway & Greens Mowers. It's the fifth anniversary of E-Cut™ Hybrid technology. And the honeymoon's still not over. No wonder: they offer a flawless consistency of cut only electricity can deliver. Save up to 30% on fuel. And banish hydraulic-leak anxiety forever.

First gaining recognition on greens and next on fairways, our latest models, the 7500/8500 E-Cut Hybrid Fairway mowers, won the prestigious AE50 award.

But that's nothing compared to the reward of winning the confidence of so many courses, whose trust has transformed this revolutionary technology into a routine choice the world over. Have a spot open in your fleet? Try one on your course. See what all the buzz is about. **Consider us part of your crew.**
