"Scotty" McLaren Figures Mower Mileage

"SCOTTY" McLaren, service chief for Toro, has turned out to be the demon statistician. "Scotty" dopes out the average fairway mower season cutting mileage as 1778.7 on a 6,500 yard course, excluding rough. He reckons the average putting green mower mileage on an 18-hole course as 920.3 each when three mowers are used, and 690.2 miles each when four mowers are used.
