## Getting the Most from Your Golfdom

*GOLFDOM* appreciates comments—favorable and unfavorable—on any article it prints. The authors want this comment, too, for golf as a business still is so new that all are seeking information. Using *GOLFDOM* this way helps all of us to get the right bearing.

Use the advertising columns for your help. *GOLFDOM* gets the advertising of the newest and best products and services for golf club use, and these advertisers pay for your copy of the magazine.

*GOLFDOM* earnestly solicits letters from all club officials, department heads and manufacturers on methods, means and policies that are successful in course and clubhouse construction, operation and maintenance and on pro merchandising of goods and services.

Use *GOLFDOM* as the medium of exchange for ideas and as your aid in digging up facts that will promote business-like operation at your club.

We have no pets and no prejudices, but the determination to make each copy of *GOLFDOM* bring some specifically profitable idea to each reader.
