Appearances Are Highly Important

The appearance of your course is the best salesman you've got.

With the **GRAVELLY MOWER** you cut everything. No tall weeds left standing to give that ragged effect.

With the Swivel Action Cutter Bar in front of the Single Wheel

Machine, you can mow the steepest hillsides or go into any corner. Quickly changed into a Rotary Mower pleasingly different from anything on the market.

Reduces mowing costs. Improve appearance of course. Mail coupon today for the proof.
