### Chicago Club Votes to Water Two Courses

**B**Y a margin of better than 5 to 1, the membership of Medinah C. C. (Chicago district) recently voted to authorize the immediate installation of an automatic watering system on the First and Third courses of this multiple-course club. Medinah members are particularly proud of their Third course and feel that after the watering system is in operation they will be in superior position to act as hosts to any tournament of national importance.

Medinah has also recently renewed for a three year period its contract with Tommy Armour, nationally famous pro ace. Tommy's connection with Medinah's golf department was doubtless instrumental in the fine showing the club made last year, when despite current conditions the club operated well on the profit side of the ledger. It looks forward to 1934 with every expectation of continuing this fine showing.

**F**IRST PRIZE for 1933 season's announcements of Guest Days goes to Essex County Country club for a dizzy effort presenting a dozen good belly laughs. Grabbing a bunch of old-fashioned stock cuts from a type foundry catalog, the Essex County genius got out an announcement that would ordinarily secure a commitment to a violent ward, were not GOLF-DOM'S award hereby made, establishing the job as art.

**T**OP-DRESSING can most conveniently be transported from shed to the green, where it is to be applied, in those regular two-handled coal sacks. This saves shoveling the top-dressing into a cart, out of the cart onto the ground and from there into a wheelbarrow.

### to every member of your club.

Last year, April to August inclusive, 300,000 golfers belonging to 3,016 different U. S. clubs, received free of charge *Golfing's* big brother—*GOLFING*—that chatty, alert and distinctive national player's magazine.

It soon will be April again and *GOLFING* once more will go into the mails to its appreciative readers without one cent of cost to them or their clubs.

Officials and members of the most exclusive golf clubs gave *GOLFING* a sensationally strong endorsement in its initial year. The alert leading pro business men pronounced *GOLFING* the greatest help they had used in promoting the golf entertainment and playing interest of their members, whether the members were captains of industry and society big shots or just lively golf "nuts."

In 1934 *GOLFING* will be better, naturally, than it was its first year, when business miseries and uncertainties burdened the populace.

Are the members of YOUR club receiving *GOLFING*? If not, send us the membership list, with home or business addresses, and we will be glad to send the magazine to every name you furnish. Remember, *GOLFING* is sent free of charge; neither you, your club, nor any member will be obligated one penny!

We give you our solemn assurance that under no circumstances will we permit your club's membership list to be used for any other purpose than the mailing of *GOLFING*.
